Sustainably cultivated and rigorously tested, our teas adhere to stringent quality, safety, and traceability standards, ensuring compliance with international regulations and consistency across global markets. By partnering with our esteemed organization, importers gain access to bespoke blends, optimized supply chains, and the prestigious legacy of Assam tea, enabling them to captivate sophisticated markets with products that embody tradition, excellence, and innovation.

- **Assam Orthodox Tea** : is known for its bold flavor, rich aroma, and complex character. It brews into a vibrant coppery liquor with a full-bodied taste and malty undertones. This type of tea is typically enjoyed without milk to fully appreciate its nuanced flavors.
- **Assam CTC (Crush, Tear, Curl) Tea** : is prized for its quick brewing time, making it a convenient choice for those seeking a swift caffeine boost in the morning or throughout the day. The resulting brew boasts a deep, reddish-brown color and a rich, malty flavor profile that is distinctly Assamese.
- **Assam Green Tea** : preserving the green color and a lighter, fresh and valued for its fresh, grassy notes with hints of nuttiness and citrus notes, offering a delicate, layered, and health-boosting alternative to black tea.

- **Assam White Tea** : a rare variety of white tea from the Assam region of India, this tea is known for its light, delicate, and sweet flavor profile with floral and mellow green notes, a pale yellow or colorless liquor, and high antioxidant content.
- **Assam Maijan Orthodox** : known for its bold flavor and distinctive character. These specialty teas often command attention for their exceptional quality and unique terroir.
- **Assam Oolong Tea** : a rare and complex tea that combines the characteristic strong, malty flavor of Assam black teas from India with the partial oxidation process of oolong tea
